

**BEFORE THE MINNESOTA
BOARD OF DENTISTRY**

In the Matter of
Sergei V. Princev, D.D.S.
License No. D11509

**STIPULATION TO CEASE
PRACTICING DENTISTRY**

The Minnesota Board of Dentistry ("Board") received a written complaint(s) alleging that Sergei V. Princev, D.D.S. ("Licensee") suffers from a physical, mental, emotional, or other disability which adversely affects his ability to perform the services for which he is licensed. These allegations could affect Licensee's license to practice dentistry in Minnesota;

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and between Licensee and the Board that:

1. During all times herein Licensee has been and is now subject to the jurisdiction of the Board from which he holds a license to practice dentistry.
2. On September 20, 2010, the Board received a complaint from the Health Professionals Services Program informing the Board about Licensee's recent relapse using an aerosol cleaning inhalant resulting in extended residential treatment.
3. The Board shall not initiate any disciplinary action against Licensee as long as he complies with the agreements in this Stipulation.
4. Licensee shall cease and desist from practicing dentistry in any manner in the State of Minnesota and shall neither offer nor provide any dental services within the state while this matter is being reviewed by the Committee and until the Board issues its Final Order.
5. Licensee shall sign all necessary releases allowing the Board access to all medical, mental health, evaluation, therapy, chemical dependency, or other records from any

treating or evaluating health professional or facility, and shall allow the Board or its designee to communicate with all treating or evaluating health professional and facilities.

6. Licensee's noncompliance and violation of this Stipulation shall be considered a violation of Minnesota Statutes section 150A.08 (2008) and constitute grounds for further disciplinary action.

7. Licensee agrees that should he violate the terms of this Stipulation, the following actions may be taken:

a. The Board may, pursuant to Minnesota Statutes ch. 14 and Minnesota Rules 1400.5100-1400.8400 (2008), refer any alleged violation to the Office of Administrative Hearings.

b. Should a violation be alleged, Licensee agrees that the issue before the administrative law judge may be limited as to whether a violation did in fact occur and whether there was sufficient or reasonable cause to excuse such violation. If the administrative law judge finds that there has been a violation and there is not sufficient or reasonable cause to excuse such, he or she may make a recommendation of discipline.

c. Licensee agrees that, in the event the Board receives findings of the administrative law judge that there has been a violation of this Stipulation, the Board may order a suspension or revocation of Licensee's license to practice dentistry or such lesser action or remedy as the Board deems appropriate.

d. Upon application of the Board, any appropriate court may enter a decree enforcing the terms of this Stipulation and prohibiting Licensee's practice of dentistry until and unless the conditions of this Stipulation are fulfilled.

8. This Stipulation shall be classified as public data for purposes of Minnesota Statutes sections 13.02, subdivision 15 and 13.41, subdivision 5 (2008).

9. Through this Stipulation Licensee is further notified that he may choose to be represented by legal counsel in this matter. Licensee has elected not to be represented by counsel. Licensee has read this Stipulation, understands the terms and conditions as set forth herein, and has freely and voluntarily signed this Stipulation.

10. This Stipulation contains the entire agreement between the Board and Licensee, there being no agreement of any kind, verbal or otherwise, which varies this Stipulation.
